Background Screening and Verification Services

At Solitary Solutions we provide a full complement of background screening and verification services. We serve clients in all industries and pride ourselves on the best quality data, unmatched compliance expertise and superior customer service. Our team utilizes resource providers who have been nationally accredited by the National Association of Professional Background Screeners (NAPBS). We have helped many clients achieve and maintain compliance in all areas of pre-employment screening.

Eliminate Risk & Compliance Concerns

In today's ever changing and litigious environment, even the best intentioned and well-staffed HR Departments may find it difficult to keep up with the many rules and regulations that govern pre-employment practices, hiring and background screening. Unfortunately, there's no one stop shop, resource or class that one can take and learn everything they need to know to protect their organization. Let Solitary Solutions help your team!
